Scarabeo Laila

LAILA è l'idea di arredobagno che Scarabeo ha progettato per completare ed arricchire l'eclettica collezione di lavabi Moon. Una collezione che contempla un'ampia varietà di figure caratterizzate da un'anima sottile ma dalle dimensioni generose. LAILA, caratterizzata da una struttura tubolare in metallo si inserisce nei contesti più svariati grazie alla possibilità di scegliere tra diverse varianti cromatiche del metallo e una proposta di soluzioni contenitive e funzionali come mensole e cassetti in legno disponibili in diverse finiture. A queste si aggiunge l'opzione delle mensole in ceramica smaltata con tante soluzioni colorate sia nella finitura lucida che opaca. LAILA è una proposta dinamica e raffinata, perfetta per ogni tipologia di sala da bagno, anche di piccole dimensioni. Le numerose possibilità di abbinamento di lavabi, finiture, legni e colori porta le possibili configurazioni a raggiungere oltre 100 soluzioni diverse. Nuove soluzioni contenitive che prevedono cassetti più ampi e vani a due ante sia in legno, in diverse essenze, sia in finiture colorate lucide e opache. La parte contenitiva sposa alla perfezione le diverse misure della struttura tubolare in metallo creando un'offerta ampia e variegata di arredi per l'ambiente bagno in grado di soddisfare ogni tipo di esigenza.

LAILA is the new bathroom furniture concept designed by Scarabeo to complete the eclectic Moon washbasin collection. The range includes a large variety of figures characterized by a refined soul and generous dimensions. LAILA has a tubular metal structure and can be inserted into the most varied settings, thanks to the possibility of choosing different colour variants for the metal and a range of functional storage space solutions, such as wooden shelves and drawers available in various finishes. There is also the option of enamelled ceramic shelves, with plenty of coloured solutions, with both a glossy and a matt finish. LAILA is a dynamic, refined proposal and is the perfect solution for all types of bathroom, also in a limited space. The multiple combinations of washbasins, finishes, wood essences and colours give life to over 100 different solutions. There are new storage space solutions, with wider drawers and two-door compartments, in both various types of wood and with glossy and matt coloured finishes. The storage space perfectly unites the various measurements of the metal tubular structure, creating a broad and varied furnishing range for the bathroom that satisfies every type of need.
