Fold

Il sistema FOLD, disegnato da Emo design per Scarabeo Ceramiche, nasce dalla volontà di completare la linea di mini lavabi attraverso una soluzione smart e di facile applicazione per ambienti piccoli come quelli in cui sono posizionati i piccoli lavabi Cube, Soft e Hung di Scarabeo. Pur essendo pensato per ambienti compatti, FOLD offre un ottimo livello di funzionalità. Infatti, ciascuno dei fogli di lamiera ripiegati in diverse forme, può contenere o sorreggere quanto necessario per la cura quotidiana del corpo. La pulizia estetica e la facilità di applicazione sono garantite da un semplice sistema di fissaggio a muro in punti non visibili. FOLD è dunque un sistema flessibile che Scarabeo propone in diverse applicazioni ma che può essere liberamente interpretato per personalizzare la propria stanza da bagno. FOLD è disponibile nelle finiture grigio, nero opaco e tortora.

The idea behind creation of the FOLD system, designed by Emo Design for Scarabeo Ceramiche, is to complete the range of mini washbasins with a smart system that is easy to install in small bathrooms, such as those in which the Cube, Soft and Hung small washbasins of Scarabeo are positioned. Although it has been designed for compact bathrooms, FOLD is extremely functional. Each of the metal sheets folded into different shapes can contain or support everything you need for everyday body care. Visual simplicity and easy application are guaranteed by an easy wall attachment system in concealed points. FOLD is therefore a flexible system proposed by Scarabeo in various applications, but also freely interpretable to customise your own bathroom. FOLD is available in gray, matt black and taupe finishes.
